ARRIVAL, ENTRY AND EXIT

All Vendors will enter the Arizona State Fairgrounds through the main entrance gate located at 17th Ave and McDowell Road. (See Grounds Map page 3)

The Arizona National Livestock Show will determine the location of the space rented to Vendor/Concessionaire.

Set Up

Set-Up Day: December 27 | 9:00 a.m.-Noon (Schedule is subject to change.)

All Vendors must be in place by the assigned time to avoid congesting access gates and roads. Vendors must notify Show Management of any issues with the assigned arrival time to resolve conflict.

Check In

Upon arrival all Vendors will be required to check in with the Vendor/Food Concession Coordinator to insure all paperwork is completed and on file. Vendor/Food Concession Coordinator will issue Vendor packets which will include a designated pass for stocking vehicle. Only a handful of vehicles will be allowed in the vendor plaza at a time, and as such, vehicles will be kept to a 30-minute window for the purposes of unloading only.

Arrivals – Vendors w/ trailers

To facilitate trailer placement, Vendors with a trailer to include in their display area must be on grounds by 8:00 a.m. on December 27. If Vendor cannot be on grounds by 8:00 a.m. December 27, arrangements should be made with Vendor/Food Concession Coordinator to bring trailer prior to December 24.

Arrivals – All other Vendors

All other Vendors should arrive and set up between the hours of 9:00 a.m. – noon on December 27. At noon, all vehicles will be required to vacate the vendor area and any additional items required from vehicle will need to be brought to the Vendor/Food Concession area from general parking by hand.

Failure to arrive

Any vendor that fails to arrive in the designated time frame or adequately communicate and receive written confirmation from the Vendor/Food Concession Coordinator will lose space and forfeit all associated fees.

Restocking Operations

Beginning December 28, Vendors may restock booths between the hours of 6:00 p.m. and 6:00 a.m. Failure to move vehicles to general parking before 6:00 a.m. may result in vehicles being towed. For security purposes, only one gate will be open for access during restocking hours.

Overstock Trailer Parking

The Show has limited space available on the southwest corner of the grounds to park restocking trailers. The cost of restocking trailer space on grounds is \$100. Restocking trailer space is sold on a first-come, first-serve basis and will be limited to one space per vendor. Restocking space can be reserved on the application and must be paid in full by **December 1**, once application has been approved.

Empty trailers may **NOT** be stored on show grounds or in a restocking space. Off-site trailer parking will be provided free of charge at the DPS Parking lot located northwest of the Arizona State Fairgrounds at the corner of 19th Ave and Encanto Blvd.

Move-Out

Move-Out Day: December 31, 4:00 – 8:00 p.m. (Schedule subject to change.)

Vendors are required to remain in place until given the all clear by the Vendor/Food Concession Coordinator and Operations Staff. Vehicles will not be permitted on grounds until 4:00 p.m. on December 31, unless security deems it safe to drive on ground prior to this time.

Move-Out Instructions

1. Vendors may begin to break down and pack up booths beginning at 4:00 p.m. (unless notified earlier by Vendor/Food Concession Coordinator).
2. When the booth is completely broken down and ready to be loaded into a truck or trailer, Vendor may notify the Operations Crew located at the access gate, and seek vehicle access to the grounds.
 - a. Operations may grant access depending on the number of livestock trailers on grounds for loading, and on the location of the booth.
 - b. Access is granted on a first-come, first-serve basis, and vendors should note that livestock trailers will be given priority access.
 - c. If Vendor requires access to the Overstock Trailer Parking, notify operations to be escorted to trailer to be moved out.
 - i. Once the overstock trailer is hooked up, vendor may have additional wait time to gain booth access depending on how many livestock trailers are already on the grounds surrounding the vendor area.
3. Vendor will be given a 30-minute window to load trucks and/or trailers once access to the booth has been gained.
4. Once loaded, follow the instruction of the Operations Crew to exit the grounds.
5. Vendor shall surrender the premises to Arizona National at the end of the license period in the same conditions as received, subject to normal use and wear.

BOOTH DESIGN & OPERATION GUIDELINES

Design Guidelines

Advertising

Vendor is permitted to advertise only in their designated space. Advertising by means of posters, handbills, flyers, etc. on light posts, restrooms, parked vehicles or other areas is not permitted. Vendor agrees to use the title Arizona National Livestock Show on all tickets and in all advertising and literature describing the event.

Appearance

All displays must be professional with a final approval by Arizona National Livestock Show staff. Only items that are specific to Vendor's/Food Concessionaire's theme or product, used to enhance the appearance of the space, and are available for sale should be visible to the public.

Aisle Clearance and Accessibility

Merchandise, displays, fixtures, signs or any other property of the Vendor may not extend into the aisle. All elements of the booth must be totally contained within the marked space. Vendors/Food Concessions who have a space that is accessible from two aisles must leave at least 50% clearance on all sides to allow patron access.

Booth Identification Sign

Each Vendor shall prepare and hang their own booth sign. The sign must hang within the designated booth space.

Booth Size

Each booth/space will be 20'x20'. Booths must be set up inside the allocated space. Chairs must be situated within the booth space. Please plan the display before arriving for set-up to avoid complications.

Cleaning

Vendors are responsible for keeping their booth/area clean and free of trash at all times. Those vendors having trucks, trailers, and farm equipment may not wash those items on the grounds at any time.

Cord/Hose Covers

All cords and hoses in areas open to foot traffic must be covered with rubber floor molding or securely taped down and approved by Arizona National staff.

Display Equipment

Vendors shall provide adequate props to merchandise booth in an attractive manner.

Evaluation of Booth

All booths will be evaluated and may be photographed during the event to identify if Vendors/Food Concessionaire have met and maintained the Show's standards of presentation. Generally, the evaluations are based on booth appearance throughout the event, management and personnel practices, and compliance with the rules and regulations of the Arizona National Livestock Show Marketplace License Agreement. Any booth not in compliance or found to be offering merchandise outside of their approved category will be in violation and measures will be taken to remedy the violation. This will include removal of the unapproved merchandise/menu items, as well as a note on Vendor file to not allow back in the Vendor marketplace for future shows.

Microphones

Microphones will not be permitted. "Hawking" or calling customers over to booth is prohibited.

Portable Buildings/Canopies

Outdoor Vendors may have small portable buildings on skids to be used as a sales office, i.e. Conex boxes. Buildings used as sales office should be visually appealing and “dressed” with appropriate signage.

Canopies are strongly recommended for all Outdoor Vendors. There will be no tents or overhead coverage provided by the Show, and Vendors are responsible for providing proper weather protection for their assigned booth space. Vendors should bring weights to hold down canopies, and note that there is no staking permitted on the grounds.

Vendors seeking canopy rentals are required to be present to sign for the rental and oversee set-up.

Signage

Professional Signage is required. Hand printed signs, “mark down” signs and “sale” signs will not be allowed. Computer generated signs are acceptable. We urge Vendors to not become involved in “Price Wars.” We encourage “Show Specials”. Signs must be placed within the Vendor’s/Food Concessionaire’s leased space and may not block the view of neighboring Vendor’s/Food Concessionaire’s. Signs that revolve or blink are prohibited.

Signage must be directed into Vendor’s/Food Concessionaire’s own booth space. Vendor’s signage may not advertise above neighboring booth spaces. For example, if the sign above Vendor’s/Food Concessionaire’s assigned space has information on the front and the back, and the back rises above the neighboring booth, then the back of the sign should be covered for the duration of the Show.

Sound Level

Booth Sound of any kind must be kept at a level that does not interfere with neighboring Vendors. If there is a discrepancy, the Vendor/Food Concession Coordinator may determine sound level or require removal of the sound for the duration of the Show.

Storage

Storage boxes and extra inventory must be hidden. Boxes may not be stacked in back of booth or visible from underneath the tables. It is permissible to use boxes as part of a merchandise display (i.e. boots, hats). The merchandise display cannot exceed the height limit of the booth. The Show does not provide areas for extra storage.

Tables

Vendors will supply their own tables for booth. All tables in booths must be skirted 360° and to the floor so that stored merchandise is not exposed. Picnic tables are provided by the Arizona National and placed within the Food Concessionaire area.

Trailers

Trailer Vendors will be assigned space to accommodate the number of trailers requested. Vendors preferred layout of the trailers and trailer size (including tongue/ hitch) should be given to the Vendor/Food Concession Coordinator by December 1 to verify that the layout will work in the allocated space for trailers.

Video Monitors & Televisions

Video monitors and televisions that enhance and aid in the presentation of Vendor’s product will be allowed with the Vendor/Food Concession Coordinator’s approval. The Show reserves the right to determine at what point sound constitutes interference with other booths and must be adjusted or disconnected.

Operation Guidelines

Booth Staffing

Booth owner shall ensure that all employees staffing the booth are familiar with the products and services being sold as well as the rules and guidelines in this Handbook. Any situation occurring in a Vendor's/Food Concessionaire's booth or involving a Vendor's/Food Concessionaire's employee requiring the attention of a Show Representative will be documented as an incident and may directly affect you as the owner. Vendors are responsible for any claims, liabilities and actions relating to the conduct of their personnel.

Change

Vendor should be prepared with sufficient change. The Show will not have the capability to provide change, furthermore, there is no facility on the show grounds that can assist with providing change.

Conduct

The Arizona National Livestock Show promotes equal opportunities and participation with no distinctions based on race, color, gender, sexual orientation, religion, disability, national origin or other considerations. Notwithstanding other provisions included in this Handbook, violation of this policy could result in immediate termination of the Vendor's/Food Concessionaire's lease agreement, requiring the Vendor to vacate the leased space and forfeit all monies paid to date.

Demonstration & Customer Participation Booths

Demonstration and customer participation booths are required to allow space at the front of their booth to accommodate potential crowds. If crowds congest aisles, show management may have vendor redesign the booth.

Dress

Special dress or attire is not required; however, all Vendors should be dressed appropriately and professionally.

Returned Checks

If a check to the Show is returned for ANY reason, check-writing privileges will be lost and a \$50 administrative fee will be assessed.

Smoking

Smoking is prohibited within 20 ft. of all barns, arenas and outdoor market places. This includes the use of e-cigarette and vaping devices.

Sub-Leasing

Vendors'/Food Concessionaries' assigned space is for their sole, exclusive and personal use. As such, vendors are not allowed to sub-lease or allow any person or business to use the contracted space.

Trash Disposal

Vendors/Food Concessionaries are responsible for properly disposing of all trash associated with their booth. Trash must be tied closed to eliminate spillage in the area and placed inside the provided receptacles. Boxes and other large trash may not be disposed of in public waste receptacles. All boxes must be broken down and taken to the recycling bins or trash dumpsters. If at any time the trash or recycling builds up near your booth area, and it is not being picked up in a timely manner, please contact Guest Services for assistance so the situation can be remedied.

Violation Notices

This handbook is part of the License Agreement. Non-compliance with any part of this book is considered a breach of the Agreement. A breach of the Agreement may be cause for Agreement termination and dismissal.

Weather

Regardless of weather, all booths are to remain open during the posted hours of the show, unless approved by Vendor Coordinator. Vendors/Food Concessions located outdoors should make provisions to protect their set-up and stock from sun, wind, inclement weather, flooding, etc.

Service Animals

Service animals are defined as dogs that are individually trained to do work or perform tasks for persons with disabilities. Service animals are welcome in areas where the public is normally allowed. Under the ADA, service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices. In that case, the individual must maintain control of the service animal through voice, hand signal, or other effective controls. All service animal pet waste must be disposed of properly.

All other animals, including comfort animals, emotional support animals, and therapy animals are prohibited.

Vendor releases and agrees to hold the Arizona National harmless from liability because of loss or damage to such property resulting from any cause whatsoever.
