

Arizona National Livestock Show

Arizona State Fairgrounds

Paid Livestock Trailer Parking Procedures

Once you've unloaded your animals, make your way to the east side of the fairgrounds and travel north. Once you get past the Coliseum, turn west and head to the area marked on the map. Our staff will help get your trailer parked in the appropriate spot.

NOTE: For any first-timers to our show, we've indicated the path you'll take if you're coming from the:

- sheep/goat barn (green),
- cattle barns (blue) or
- pig barn (red).

We will have folks with flags helping you find your way once you get to the NE corner of the Coliseum.
